## Ney

My official name is Rosiney Lima Maia, but all my friends call me Ney. I was raised inside the jungle in a small village where I learned how to hike, fish, hunt and camp in the Amazon rainforest.

I started working as a jungle guide to show tourists the way into the jungle in 2000. During the time, I learned English, so I can tell you all the jungle stories of the Amazon. My specialty is the Northern part of Manaus, because that is where I know my way around best.

## Day 1

You leave Manaus around 7.00 am to find the jungle lodge by bus and boat. You arrive at the lodge around 11.00 am. The bus is comfortable and air-conditioned and will give you the opportunity to rest and see the jungle for the first time.

Once installed in the lodge, a lunch composed of local products is proposed to you with mineral water or fruit juice. After lunch, you will take a canoe trip to the flooded forest (Igapo). This is a very pleasant way to discover the Amazon.

In the evening we have dinner. After dinner we will have a campfire and enjoy a beautiful sunset and tell stories.

## Day 2

At 5:30 we leave by boat to see the sunrise and listen to the sounds of the Amazon. We will also try to see the pink and grey dolphins.

After breakfast, we will take a three hour hike through the jungle to learn about medicinal plants and survival techniques.

At 3:00 pm, we will leave by canoe to go fishing for piranhas.

Around 6 pm we have dinner and, once the sun is down, we go to meet the alligators, recognizable by their eyes that glow in the night. This also gives you the opportunity to see the Milky Way in its full glory, free of all the lights and pollution of the cities.
